

Silver Sands Montessori Charter School

Dear Parents,

We are thrilled that you and your child will be joining us for an exciting year of discovery and learning at Silver Sands Montessori School. Please have your child bring these school supplies to school unlabeled on the first day of school. The supplies will become community-used items and will be stored for the class to use as needed throughout the year. A lunch program is not available at the school; please provide a daily lunch (clearly labeled with your child's name) with an ice pack. When selecting school supplies please refrain, as much as possible, from characters (cartoon, superhero, etc.) and instead select solid color items.
